Road from Rajakkamangalam to Manakudi.

410. ❋ MR. S. THIRAVIAM NADAR (*Agastisvaram*): Will the Government be pleased to state whether they have taken any steps for the opening of a road from Rajakkamangalam to Manakudi?

MR. G. B. E. TRUSCOTT (*Chief Engineer, Roads, Buildings and Irrigation*): An estimate for the portion of the road from Rajakkamangalam to Eathamoli has been sanctioned and is awaiting execution for want of funds. The alignment of the road beyond up to Athikattuvila has been fixed and the remaining length to Manakudi has been ordered to be investigated.

PRESIDENT: I have to state, before the questions are over, that I find that two members who were absent at the time their names were called have since turned up. I must impress upon them the necessity for punctual attendance. Having given notice of questions and asked Government to waste time for the preparation of answers and getting them printed in the agenda for the day, if members do not turn up, I should think that it is not treating the House and the Chair decently. I hope that in future the members will take great care to be present when their questions are called. Otherwise, their questions will not be allowed to be answered at all.

I will call upon Mr. Kesavan Sastri to put his question.
